### Why should you use Tim Whittaker Photography's Open2View service?

- I have over 20 years' experience in Real Estate Photography.
- All photography is finished in post-production on colour-calibrated monitors and where necessary includes visual corrections to swimming pools, lawns or skies.
- Open2View.com is the highest google ranked real estate only photography & web service.
- International brand exposure with sites and photographers in NZ, Australia, USA and Canada.
- Full multi media support with 360 degree virtual tours, walk *throughs*, *panoramas* & *video*.
- *Exclusive photodrone elevated photography.* [www.photodrone.co.nz](http://www.photodrone.co.nz)
- Immediate image delivery system via easy to use agent login with automated image resizing & email facilities.
- Points of interest photos on property map.
- Same day delivery service. Photos ready to download the same day they are photographed.
- Photography by qualified member of New Zealand Institute of Professional Photographers with relevant public liability insurance.
